NEUTRALITY MATTERS

ReNOtel 8/1/63 in captioned matter.

Miami immediately advise results of interview of
Miami PCI Michael McLaney, particularly whether he is related to
William Julius McLaney. In view of Michael McLaney's reported
interest in 6/15/63 plan to bomb Cuba, he might well have a connection
with this case and may have influenced William McLaney to cooperate
in captioned matter.

Miami also immediately interview Antonio Soto, Evelio
Alpizar, Miguel Alvarez, Sam Benton and Jose de Jesus Basulto Leon
who have been mentioned in previous Miami communications as possibly
being involved in this matter, as well as any other suspects developed
through investigation. Miami also interview Gonzalo Herrera, former
Cuban airlines pilot and other logical former Cuban pilots who may
have been approached to pilot planes in this matter. If not already
done, all suspects connected with the June 15, 1963, attempt to bomb
Cuba, which was handled by Customs, should be interviewed.
